

Renaissance Farm 2012 Produce Programs

CSA “Veggie to Table©” Program

We grow the garden for you and fill your box with our fresh, local produce & herbs. Your first box will be ready for pick up June 20th at our retail front and your last box will be filled on September 30th. You commit to us by paying in advance for your produce. This helps us, as we know in advance that we will have a home for our produce, and you benefit, as you are able to enjoy home grown produce and herbs without the hassle of growing the garden. Please know that if crops fail, there is no refund.

What will you get?

You will receive a box of fresh, seasonal vegetables and herbs every week from June through September. Keep in mind that the value of the box will continually increase as the produce ready for harvest increases. The overall value of the box will meet or exceed your purchased price. (See the attached sheet for planned offerings this year).

How is the “Veggie to Table©” program paid for?

Our CSA program is \$450.00. So that we may plan accordingly, we request that all “Veggie to Table©” participants pay in full by February 18, 2012.

“A-la-Carte” Debit Program

The “A-la-Carte” program allows for custom orders. We will email to you each week our availability. You email your order back to us, we pick and pack just what you want and debit your account. In addition to purchasing from our produce division your debit account also allows you to purchase at our retail front! Please know that orders are filled on a first come/first serve basis and quantities can be extremely limited. To avoid disappointment, we strongly recommend that you order early.

What will you get?

With the “A-la-Carte” program, you will get what you want, that is the beauty of this program. You will also be able to order fruits, eggs, pies, canned goods and flowers on a weekly basis should this suit your needs better.

How is the “A-la-Carte” Program paid for?

Pay up front (by cash or check) and purchase all season long! We debit your account for your purchases and email to you when your account is close to depletion should you wish to regenerate your account. We require an initial deposit of \$100.00 with increments of \$25.00 (to allow for ease of record keeping).

Please know that at the end of the Year all accounts expire, so plan to use all funds in your account by December 31st.
